## **Business Ethics and Value Systems** H.C. Mruthyunjaya

The book presents a bird's-eye view of some of the key aspects associated with the subject business ethics. It discusses some of the basic issues related with ethics, views of different schools of thought on this subject, and activities that are readily available to unethical practices. The book also attempts to present a cross-sectional dissection of the phenomenon of corruption to expose the roots of ethical epidemics, growth and proliferation of corruption and the net outcome of globally perpetrated unethical practices. It contains more than forty case studies, drawn from real-life situations, which show different types of unethical practices. The book is meant for postgraduate students of management and commerce.
