El siglo de la conquista (Rescate) (Spanish Edition)

Leopoldo De La Rosa Olivera

El siglo de la conquista (Rescate) (Spanish Edition) Leopoldo De La Rosa Olivera

La obra que tiene en sus manos el lector es una recopilación de artículos y conferencias dictadas por Leopoldo de la Rosa Olivera, que fueron publicados por primera vez en formato libro en 1979.

En El siglo de la conquista se incluyen algunos de los más relevantes trabajos de la amplia trayectoria investigadora de este autor, fundamental en el rescate de fuentes y configurador, junto a un grupo de investigadores encabezado por Serra Ráfols, del actual conocimiento científico de la Historia de Canarias.

Las conferencias y comunicaciones, así como los artículos que componen esta compilación, aparecieron originariamente en las principales revistas científicas del Archipiélago: Revista de Historia Canaria, Anuario de Estudios Atlánticos y El Museo Canario, a lo largo del periodo comprendido entre 1953 y 1975. Estos trabajos versan sobre diversos asuntos de interés acerca del siglo XVI: los reinos de Tenerife, conquistadores como Lope Fernández o Guillén Castellano, la Égloga de Dácil y Castillo o el linaje de los Béthencourt. Así como estudios sobre los orígenes de núcleos de poblaciones como Granadilla de Abona o el Puerto de la Cruz, son los temas que, con precisión y rigurosidad, aborda el profesor De la Rosa en este volumen.
