**Estetica dei media e della comunicazione (Prismi) (Italian Edition)** Roberto Diodato, Antonio Somaini  
Che cosa significa studiare la comunicazione da un punto di vista estetico? Da un lato significa considerarla non una semplice trasmissione di informazioni, ma una relazione coinvolgente che attiva sensibilità, emozione e intelligenza, facendo interagire immaginazione, gusto e intuizione. Dall'altro, significa riflettere su come i media, vale a dire tutti quei mezzi che danno forma alla comunicazione e la rendono condivisibile, finiscono per trasformare la nostra esperienza sensibile, e dunque estetica. Attraverso un'accurata selezione di testi dagli inizi del Novecento ai giorni nostri, il presente volume esplora questi due grandi versanti, contribuendo a definire l'identità, il perimetro e la genealogia di un campo di ricerca assai ricco e stimolante.
