Stephen Preston Banks

Kokio: A Novel Based on the Life of Neill James Stephen Preston Banks

Neill James traveled the world and wrote about her exotic sojourns to places even the most intrepid explorers and war correspondents rarely saw. Her books documented the cultures of Lapland's Sami reindeer herders, the Ainu of northern Japan, and Mexico's Otomí. Then, in mid-life, she suddenly stopped writing and traveling and remained for the next fifty years in a remote Mexican pueblo. Why? In this biographical novel, author Stephen Preston Banks imagines a plausible life story, involving alienation, obsessions, broken promises, and espionage.
