## Necessary Evil Craig Sherborne

‘Originality may not be everything in poetry, but it's hard enough to find at any moment in literary history. *Necessary Evil* is a consummate book, and of an instantly insistent originality. With it Sherborne goes to the top of Australian poetry - nobody is writing better.’— Peter Porter

*Necessary Evil* contains magnificently realistic poems of family, racing and journalism as well as haunting evocations of the bush. Sometimes satirical and sometimes deeply personal, it confirms Sherborne as a poet possessing both verbal brilliance and an unmistakable vision.

Craig Sherborne's books include *The Amateur Science of Love*, *Bullion* and *Necessary Evil*. His memoir *Hoi Polloi* was shortlisted for two literary awards, and its sequel, *Muck*, won the Queensland Premier's Literary Award for Non-Fiction. Sherborne's journalism and poetry have appeared in most of Australia's leading literary journals and anthologies.
