**Newborn Conspiracy (Five-Alarm Babies)** Delores Fossen

Shot on a covert rescue mission, Logan McGrath came home to Texas to recuperate. He'd wanted peace, but instead found a terrified redhead on his doorstep. An alluring stranger who'd given birth to a beautiful baby boy...his baby boy.

Mia Crandall claimed he wasn't the donor she'd chosen.

But someone had arranged the illegal surrogacy, and now they wanted Mia out of the way. Only, Logan soon realized the killer who hunted her wasn't nearly as frightening as the tender feelings she stirred inside him. And if Logan ever wanted to get a chance at fatherhood, he'd have to protect the mother of his child at all costs.
