Standing on the Promises or Sitting on the Premises? James W. Moore

Are you standing on the promises or just sitting on the premises? Do you claim and embrace and celebrate the great promises of God that are underscored again and again in the Bible? Or do you sit lifelessly and listlessly on the remote edges of the church, responding halfheartedly to its message? James W. Moore awakens us with these questions and reminds us of the awesome promises of God that are found in the Bible. On page after page of the Scriptures, God gives us generous and gracious promises that we can claim and rely on. The author shows that when we fail to lean on God and trust in these promises, we open ourselves to many frustrating, embarrassing, even painful experiences. Yet when we truly “stand on the promises,” we discover the richness and fullness that God intended for our lives. Includes a study guide.
